

Welcome to the New Tradition Chorus

WE HAVE A SPOT FOR YOU
It's a perfect time to visit us.

Here's a brief introduction to our New Tradition family.

Proud History – New Culture

Gold Medal Mentality

The NT chorus has a long history of performing at a high level - winning a gold medal on the international stage in 2001.

Friends and Singers

We are one big musical family, committed to each other as much as we are to ringing chords together.

Commitment to Quality

The NT chorus is dedicated to making quality music - driven by our talented director, Mitch Greenberg.

Vocal Placement & Audition Process

Vocal Placement:

- We want your time spent singing with us to be both fun and a good fit for your voice.
 - If you sing in a low range, you may be placed in the bass section.

Audition – After 3 visits

- Our audition process is not difficult; we ask you to sing an assigned song.
- When ready, you will sing with the three other parts of a quartet. Members of the music team will offer feedback.
- When you pass your audition, you'll be eligible to join the chorus after Board approval.
- Welcome to the New Tradition!
